

# Name - Tarun Kumar

*Role - Creative Head Intern*

**Greetings !!**

**Dear Tarun Kumar,**

August 29, 2025

This is to certify that Mr. Tarun Kumar, has successfully completed their internship at Spectrix Creations Private Limited from 29th August 2024 to 29th August 2025 in the role of Creative Head Intern. During this period, he was assigned to work on various task like -

**Conceptualization & Vision Crafting** – Leading the brainstorming and development of the game's core vision, including its central premise, unique selling points, "fun factor," and high-level creative pillars that will guide the entire project.

**Mechanics & Systems Design** – Designing and prototyping core gameplay loops, core mechanics, progression systems, and balance economies that are engaging, innovative, and aligned with the overall game vision.

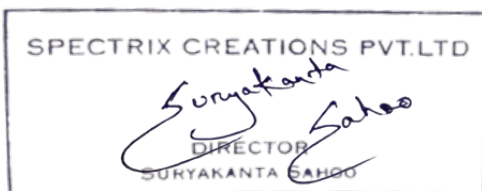

**Narrative & Worldbuilding Foundation** – Collaborating with writers and artists to establish the foundational lore, world rules, character backstories, and narrative arc that create a compelling and immersive player experience.

**Creative Leadership & Communication** – Synthesizing feedback from team leads and play testers into actionable design direction; clearly communicating the creative vision across art, programming, and audio teams to ensure a cohesive final product.

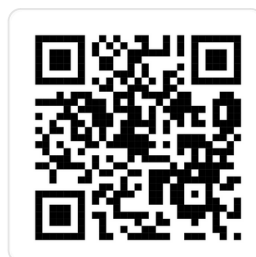

Throughout the internship, Mr. Tarun Kumar has demonstrated dedication, enthusiasm, and a strong willingness to learn. His contributions to the assigned tasks have been valuable, and he has shown excellent problem-solving abilities and teamwork skills. He has also adhered to company policies and maintained professionalism throughout the internship.

We appreciate the efforts put forth by Mr. Tarun Kumar his tenure with us and wish him success in future endeavors

**Regards,**

**Suryakanta Sahoo**  
Founder
